

# Is Celebrating Men, Satisfying Women® for you?

## If You're...

## Lookin' for a Man

## Livin' with a Man

## Workin' with a Man

## Raisin'a Man

### You will learn how to...

Become a man magnet  
Avoid the common mistakes women make with men

Get what you need from men  
Love men for their differences, not in spite of them

Why men are so competitive and how it can work for you  
Work powerfully and in partnership with men

Listen to your son in a way that allows him to express himself  
Understand his reactions

### Our graduates report...

Now in  
Norcross, GA  
\$175

More dates with a wider variety of men  
The ability to see the abundance of "good men" everywhere

**"I remembered to notice the men who noticed me and allowed one of them to pursue me. We dated and are now in a relationship where I am fully myself. I feel happy, confident, satisfied and appreciated."**

Heather Gray,  
Author & Coach – Ottawa, Canada

**"At 66 years old, shortly after Celebrating Men, I met the man who would become my 1st boyfriend in 15 years!"**

Ann Britt, MFC,  
Therapist & Life Coach –  
North Hollywood, CA

Couples fall in love all over again

Relationships are repaired

Anger and resentment melts away

Marriages are saved

**"After Celebrating Men, Satisfying Women, my husband and I interact more and our communication is more open."**

Kris Bozarth,  
Escrow Manager – Mission Viejo, CA

**"My 30-year marriage went to another level and I am happier than I have ever been."**

Louisa Twohy,  
Relationship Educator –  
Carpenteria, CA

Promotions & raises  
Respect & acknowledgment  
Increased sales & productivity

**"I learned to understand and appreciate who men are at work and as a result, they respect, appreciate and support me more"**

Karen Miller,  
Reporter/Producer – Washington, DC

**"I realized that from a career perspective, improving my interaction with men professionally would benefit me. It led to a promotion!"**

Elise Zob,  
Program Manager – San Diego, CA

Moms and sons become friends again  
Teenage sons open up

**"I used to be annoyed by my son's constant need for something to focus his attention on. Boredom was intolerable for him. Now I understand and I make sure that he always has something to keep him occupied."**

Ingrid Wafer,  
Mother of 3 – Los Angeles, CA

**"I used 'Men-glish' to ask my son to mow the lawn and he ran out to do it. He even jumped up to do the dishes. He was happy to help me."**

Debbie Critzer-Fox,  
Parent Educator – Ojai, CA
